Cieľ projektu: Sprevádzkovanie nízkoprahového denného centra pre ľudí bez domova. Ide o prvý projekt svojho druhu v Bratislave, kde žije najväčší počet ľudí bez domova v počte 3500 - 4500. V dennom centre budú poskytované ciele špecializované aktivity s cieľom dlhodobej sociálnej inklúzie takýchto ľudí, ale aj poskytovanie „prvej pomoci“ pre ľudí, pre ktorých je návrat do majoritnej spoločnosti veľmi zdĺhavý. Zahraničný partner z Nórska (Salvation Army Norway) bude učiť našich odborníkov, ako zapájať lokálne komunity do procesov inklúzie ľudí bez domova, na príkladoch dobrej/alebo menej dobrej praxe v Oslo.

Publikácia ["BRATISLAVA OSLO OSLO BRATISLAVA"](#), ilustruje príklady dobrej praxe v oblasti práce s ľuďmi bez domova medzi organizáciami Vagus a Armáda Spásy Nórsko.

Summary:

There are around 4000 people living on the streets in Bratislava. The objective of the project is to establish first Low threshold Day Care and Integration Centre called DOMEK in Bratislava for homeless people. DOMEK offers wider scale of services: hygiene, clothing, food and drinks up to very specific counselling and assistance that helps to full integration of the clients into society (permanent living, job placement, and social network).

The project target homeless people, 50 professionals from other NGOs that benefit with know-how, materials and seminars providing by Norwegian partner. Salvation Army Norway helps to NGO Vagus gain new skills and methods in work with homeless people in Bratislava. Implementation of ART will raise the quality of social services, social and legal protection of children with problem behavior in SR. They'll create the potential for multiplication of the program aimed to help children at risk.

Project goal: The creation of the first Day and Integration center for homeless people in the downtown of Bratislava, which will provide the clients with a wide scale of services in order of social integration.

Project has a high ambitions to provide (12 months period) 18 800 clients daily access to Centre, 3 100 social advisements, 280 clients involvement in leisure time activities, 100 clients involvement in work activities and 12 clients who successful completed whole integration process.

The publication ["BRATISLAVA OSLO OSLO BRATISLAVA"](#) illustrates examples of good practice in working with homeless people in organizations Vagus and the Salvation Army Norway.
